Utah Economic Forecast

Featured Speaker:

James Wood

Director, Bureau of Economic and Business Research
David Eccles School of Business
University of Utah

Find out where Utah is headed in 2012:

- Why is Utah a high-growth state?
- What is the future for residential construction?
- What is the future for non-residential construction?
- What is the outlook for Utah in 2012?

Mr. Wood graduated from the University of Utah in Finance, completing graduate work in Economics. His areas of research specialization are; housing, construction, real estate and economic development.

He currently serves as a member of the Governor's Council of Economic Advisors, State of Utah Revenue Assumptions Committee, the Salt Lake Downtown Alliance Development Committee, past president of the Wasatch Front Economic Forum and a member of the board of Salt Lake Neighborhood Housing Services.
